

# Preschool Social Skills Group 2016

We will be running a **preschool social skills group throughout Term 1 in 2016**. We are currently looking for expressions of interest. These groups will target the development of your child's social communication skills. Our groups work on body language, conversational skills and assertiveness.

The groups run for one hour per week and the cost per child is \$95 per hour (equivalent cost of a 30 minute therapy session). Each group is run by two speech pathologists. There will be a minimum of 4 children per group and parents will be asked to commit to a term block.

Outlined below are the areas we plan to target, please indicate (x) which areas you feel your child needs support;

Body Language	How we talk	Conversation	Assertiveness

Preschool teachers are often accommodating if you need to withdraw your child for an hour social skills group. It is worth discussing this option with your child's teacher and involving them in your child's support.

**We want to confirm the group at the end of this year to ensure a full 10 week group for Term 1, 2016. Please return your form by the end of Term 4, 2015 (16<sup>th</sup> December 2015)**
